CAN YOU HELP A NEEDY NEIGHBOR?

Saturday, May 2, 2009

8:30 AM to 4:30 PM

AmeriCares HomeFront assists area homeowners with household repairs. We clean up the house and yard, perform light carpentry, paint, plant and lift the spirits of our neighbor in need. No skills are required. Some of you have wanted to go on one of our seven Katrina trips, but couldn't take the time off. This is an opportunity to do the same type of work in our own backyard.

Our house this year is in east Norwalk. If you can't make it for a full day, a half day would be great. There is a sign-up sheet in the Gathering Space. Please help us with this hands-on volunteer effort if you can. I guarantee you that you'll feel good at the end of the day. Contact Sonny Kern at 834-7654 or Linda Rost at 858-9596 for more information.

CONNECTICUT BICYCLE PROJECT
Saturday May 9th time TBA
WEPCO parking lot

Drop off adult and children's used bikes (big wheels, trikes and wagons too!) This is a grass roots effort providing used bikes to the poor in Fairfield County. The bikes help adults by providing inexpensive transportation "so that they can increase their employment potential by reaching a wider circle of potential employers". All children's bikes are distributed for fun and viewed "as a benefit to their growth development". For more information, contact Sandy Muschler at wepco@snet.net or 761-8730.
