

WPC November ANNOUNCEMENTS AND EVENTS

WILD GOOSE SUNDAY Join us Sunday, November 5th, and the first Sunday or every month, for Wild Goose Sunday! What is Wild Goose Sunday?

Wilton Presbyterian Church

It's an intergenerational communion service where children remain in the service and we do things a bit differently. We are following the lead of the "Wild Goose," a name for the Holy Spirit in Celtic Christianity. When we follow the Wild Goose, we are trusting God enough to try something different and discover new places we wouldn't have found if we hadn't followed God's calling. For example, last month on our first Wild Goose Sunday, a live chicken taught us about the Heifer project, we "passed the peace" on notecards and our children helped serve communion. You won't want to miss it, you never know what might happen!

MOSES DISCUSSION GROUP

Saturday, November 5, 11:15 am

To conclude our three week sermon series on Moses, join your fellow Wilton Presbyterians for a discussion of what we notice and what we wonder about Moses. We'll be led by Andrew Jones, who teaches English and history at Greens Farms Academy, following worship in the Upper core.

THANKSGIVING SUNDAY

Saturday, November 19

Let us join together for Thanksgiving Sunday to celebrate as a church family, gathering a portion of what we have to share for our own Thanksgiving. As you are shopping for yourself, please consider purchasing some non-perishable items to share with the Wilton Food Pantry. Last year, we filled three shopping carts with food, toiletries, diapers, etc., that stocked nearly empty shelves at the pantry.

Then, in further celebration, bring a thanksgiving appetizer or dessert to share! The idea here is you are likely baking or cooking already, so would you make a bit extra to share with your church family. There is no pressure at all, so if you are already over extended this should not be an additional stressor. Regardless of whether you have time or interest in making something, please show up just the same. We always have an abundance to share! Happy Thanksgiving, church family!
