

Announcements & Events

Sunday, May 12

Join us for a Festival of Music in celebration of Mother's Day. Similar to our Christmas Festival, the service will be constructed around several anthems, some you will recognize and some never before performed by the WPC chancel choir, directed by Rodney Loren.

Sunday, May 19

Please join us as we welcome our current Confirmation candidates as they are presented and welcomed into the life of the church by our wonderful congregation on this Day of Pentecost. You will have an opportunity to hear first hand where they are in their ever evolving faith journey. The statements of faith presented by our confirmands proactively affirm their beliefs about God, Jesus Christ, the Holy Spirit, and about humanity, the church and the world (the context in which God, humanity, and the church interact).
